

2011 EDITORIAL CALENDAR

New York Professional Engineer (NYPE) Annual Conference Journal & Membership Directory

The *New York Professional Engineer Annual Conference Journal & Membership Directory* is published annually. Distribution consists of approximately 2,500 members of The New York State Society of Professional Engineers (NYSSPE), Sustaining Member firms, advertisers, State Board for Engineering Members, NYS Legislature, NYS Department of Transportation, Thruway Authority, individual subscribers, and key leadership in other State Societies of the National Society of Professional Engineers.

The *New York Professional Engineer Annual Conference Journal & Membership Directory* is a comprehensive listing of the NYSSPE membership, annual conference details, award recipients, NSPE Fellows, presidential messages, annual report, sponsors and advertisers. Articles, Press Releases, and advertising are welcomed; however, the publication of material submitted is published at the discretion of the editor. See advertising form for details regarding deadlines and submission.

NYSSPE-Newsletter

The Society's E-Newsletter is a biweekly e-newsletter delivered via email. It covers local, state and national Professional Engineers Society news, as well as updates on upcoming events, educational activities, legislative & regulatory activity and issues affecting Professional Engineers. Distribution consists of approximately 2,500 members of The New York State Society of Professional Engineers (NYSSPE), Sustaining Member firms, advertisers, State Board for Engineering and Land Surveying Members, NYS Legislature, NYS Department of Transportation, Thruway Authority, individual subscribers, and key leadership in other State Societies of the National Society of Professional Engineers.

NYSSPE Events E-Newsletter

NYSSPE Events E-newsletter is distributed monthly to promote the events and continuing education opportunities offered by NYSSPE and its local chapters.

NYSSPE.ORG

NYSSPE.ORG is a comprehensive source for information for all things NYSSPE including, government relations, member benefits, public relations, continuing education, engineering law and regulations and other current issues affecting your profession.
