

2010 EDITORIAL CALENDAR

New York Professional Engineer (NYPE)

The **NEW YORK PROFESSIONAL ENGINEER** is published four times a year. Distribution consists of approximately 3,000 members of The New York State Society of Professional Engineers (NYSSPE), Sustaining Member firms, advertisers, State Board of Engineering and Land Surveying Members, NYS Legislature, NYS Department of Transportation, Thruway Authority, individual subscribers, and key leadership in other State Societies of the National Society of Professional Engineers.

The *New York Professional Engineer* is designed to keep our members and the general public informed of important issues affecting all areas of the Engineering Profession. Articles, Press Releases, and advertising are welcomed; however, the publication of material submitted is at the discretion of the editor. The key themes of the issues are as follows:

January - March	Engineers' Guide to the NYS Legislature Legislative Preview NYSSPE Annual Convention & Expo Announcement	Deadline February 15 th
April - June	NYSSPE Membership Directory/Journal	Deadline May 1 st
July - September	Fall Professional Development Conference Announcement Highlights from the Annual Convention & Expo NYSSPE Annual Report NYPE Political Action Committee Statement (NYPE-PAC)	Deadline August 1 st
October - December	Official Ballot Engineers' Week Activities Award Nominations Fall Professional Development Conference Highlights	Deadline November 1 st

New York Society of Professional Engineers E-Newsletter (NYSSPE-Newsletter)

The Society's E-Newsletter is a biweekly e-newsletter delivered via email. It covers local, state and national Professional Engineers Society news, as well as updates on upcoming events and issues affecting Professional Engineers. Distribution consists of approximately 2,500 members of The New York State Society of Professional Engineers (NYSSPE), Sustaining Member firms, advertisers, State Board of Engineering and Land Surveying Members, NYS Legislature, NYS Department of Transportation, Thruway Authority, individual subscribers, and key leadership in other State Societies of the National Society of Professional Engineers.
