Sustaining Membership in the New York State Society of Professional Engineers (NYSSPE) is available to any Corporation (public, private, municipal or non-profit), Professional Corporation, firm, or individual doing business in the State of New York and employs Professional Engineers. While Sustaining Members are not eligible to vote on NYSSPE matters, they are offered the following services upon membership:

- ✓ Your organization listed as a Sustaining Member on our web site (www.nysspe.org) and printed annual publication.
- ✓ A complimentary subscription to the NEW YORK PROFESSIONAL ENGINEER (NYPE) Annual Conference Journal and Membership Directory. Our magazine is circulated to our membership (comprised of engineering professionals in all fields of practice), to various large public sector organizations throughout the state and to other Sustaining Members and is published in June.
- ✓ A complimentary subscription to our E-Newsletter and our Events E-Newsletter (valid email address required)
- ✓ A 15% discount on advertising in NYSSPE publications.
- ✓ Member rate for employees that attend NYSSPE sponsored events
- ✓ The right to use "Sustaining Member – The New York State Society of Professional Engineers" on your business letterhead.
- ✓ Business referrals from inquiries made at NYSSPE and our website.
- ✓ Special UPS Discount Rates through NYSSPE membership
- ✓ Access to valuable publications published by NYSSPE and the National Society of Professional Engineers.
- ✓ A certificate indicating your organization is a Sustaining Member in NYSSPE.

The dues for becoming a Sustaining Member in NYSSPE are based upon the total number of Engineers in your organization. The following table indicates the dues associated for a full year of Sustaining Membership and the prorated values for join dates outside of the join period considered as one year of membership.
